WELCOME TO GALVA!

GEDC members are pleased to welcome a new business to town!

Syngenta Seeds' staff will be here working with Quad County Corn Processors to develop an Enogen™ grower program. Enogen™ corn is the first biotech enhanced seed product offered which is specifically targeted for the US ethanol industry. The seed contains a unique alpha amylase enzyme that improves corn to ethanol processing efficiencies. Grain premiums paid to program growers will add more value and profit potential per acre. Enogen™ seed corn hybrids are available in elite germplasm, with preferred Agrisure® insect and herbicide traits.

For more information, contact Enogen™ Account Manager James Harp, at 308-224-5245 or visit his team of professionals at 108 East Second Street in Galva (east of The Meeting Place).

GALVA PARK IMPROVEMENTS!

Thanks to ongoing community generosity, dedication to applying for grants and many behind-the-scenes man hours by our members, GEDC was proud to unveil another portion of walking trail earlier this summer! Special thanks to Randy Hustedt for his time and talents!

A 14 foot by 50 foot cement pad was poured by the Shelter House in the City Park, and an additional 276 feet of walking trail was completed to the southwest corner of the park.

GEDC members are proud to lead community betterment projects that provide safer routes to school for our children and new pathways for our citizens to walk or run on to promote physical fitness.

We hope you enjoy using the walking trail for many years to come!

GEDC is a non-profit entity. All private donations are tax deductible and are sincerely appreciated.

New members (and ideas) are always welcome!

BUSINESS ‘SPOTLIGHT’

Our GEDC business spotlight for January is TJ Padavich who owns and operates Padavich Seeds in Galva.

TJ has been with Channel Seeds for a little over a year, and he works closely with Mike Vondrak, District Sales Manager for Channel Bio Seeds in Iowa.

Together TJ and Mike have built a business that they are very proud of!

TJ reports that his territory encompasses an approximate 60-mile radius around Galva. TJ enjoys getting to know his customers and their farms. After that, he uses that knowledge to recommend seed varieties and chemical programs that will benefit each individual grower ... because no two farms are alike.

TJ’s goal is to help make producers’ bottom lines more profitable.

TJ graduated from Ida Grove High School and has lived in Galva for the past 12 years, so he is familiar with the area and growing conditions in northwest Iowa.

TJ and his wife, Barb, have three children and are huge Green Bay Packers fans. Padavich Seeds is a valued member of Galva’s business sector.

Please feel free to give TJ a call and take advantage of early pay discounts on seed and chemicals during the month of January!

FIRST STEPS ON IMPORTANT JOURNEY

On October 7th, more than 291,000 Iowans, including 118 people in Galva, took the first steps on a life journey that will help Iowa become the healthiest state in the nation. Through more than 2,300 Start Somewhere Walks, in every county of the state, including Ida County, Iowans spoke with their actions in this symbolic kickoff of a Healthiest State Initiative. Our walk included students from the Galva Upper Elementary School, teachers, community members, local and county business leaders, and friends from adjoining towns.

As the name suggests, the Start Somewhere Walks are the beginning of a program intended to help make Iowa the healthiest state in the nation in five years. According to the 2010 Gallup-Healthways Well-Being Index®, Iowa ranked as the 19th healthiest state in the nation. While that’s in the top half, it’s not good enough. We need to take Iowa to the number one position – the healthiest state by 2016. Together, we can and will become the healthiest state in the nation!

K-8 Principal Mike Richard talks to students, teachers and community members about the importance of daily exercise before the Start Somewhere Walk in October at the Galva Upper Elementary School.

BREAKFAST WITH SANTA!

GEDC members had a ball flipping pancakes on December 10th and appreciate everyone who came out to welcome Santa to Galva! We appreciate the following individuals and businesses who donated prizes for the drawings to make the event a huge success. Please continue to support them with your business. Also, thanks for all of the donations given at the door. An incredible 127 gifts were handed out to those in attendance! Thanks Santa!
